

LURE CUSTOMERS WITH CONVENIENCE.

Convenience at the pump generates repeat business. The Advantage® series and PC-based G-SITE® POS system give your customers that convenience. The Advantage series is known for reliability and long-term, low-cost ownership. Our G-SITE system with

Texaco-specific software supports the latest upgrades and features on The Advantage dispensers. Options like CRIND™ card readers and InfoScreen® interface allow credit/debit pay-at-the-pump convenience for your customers, and merchandising opportunities for you.

Try this winning combination of equipment and you'll see why so many Texaco marketers are "hooked" on Gilbarco.
