

Eastmoreland Patio Collection

You deserve a comfortable outdoor area to relax or entertain. This patio set from the versatile Eastmoreland collection features tufted blue loveseat cushions that give a formal twist to this casual outdoor set. The textured glass coffee table is great for keeping refreshments close at hand or displaying a centerpiece to add a touch of your personal style. Combine this set with other Eastmoreland tables and seating to build a look that suits your space and accommodates your family and guests.

Create a cozy outdoor dining area with this square bistro table from the versatile Eastmoreland collection. The table seats two people, so you can enjoy a casual outdoor meal or socialize with a friend over drinks. A shatter-resistant textured glass top gives the table a unique accent and means you can be confident in its durability. Add coordinating chairs from the Eastmoreland collection to build a look that suits your space and accommodates your family and guests.

Davenport Patio Collection Chaise

Cozy and casual, this chaise lounge from the Davenport patio collection is perfect for small gatherings. Five back-tilt positions mean you can sit up and join the party, lean back with a book or lie down for a nap. The open metal latticework back offers classic appeal, and the black wrought iron complements a variety of patio styles. Cushions and accent pillows are sold separately for added comfort and a splash of color that suits your decor. Combine this chair with tables and other seating from the Davenport collection to create a gathering space where you and your guests can enjoy lively conversation for hours on end.

Pardini Patio Collection Sofa

Upgrade your outdoor space with the refined and exquisite look of a Pardini collection sofa from allen + roth. This sofa features dramatic curved arms, a bronze frame and a brown wicker back, so you can relax in comfort and style.

Pair with a coffee table to keep refreshments close by while you chat with friends or curl up with a book in quiet solitude. Cushions and accent pillows are sold

separately, allowing you to easily customize your decor. Arrange the sofa with other Pardini seating and tables to suit your entertaining needs.

Ocean Park Patio Chairs

You don't need waterfront property to enjoy the nautical look of these Ocean Park patio chairs. The white frame and blue cushions bring the look of a seaside resort to your backyard. Relax in privacy or chat with a friend while basking in the sunshine. Combine these chairs with tables and other seating from the Ocean Park collection to create an inland retreat that feels like a beachfront oasis.

Belthorne Patio Dining Table

Impress your guests with the elegance of this dining table from the Belthorne patio collection. The ornate metal tabletop design brings unique appeal to your outdoor space, and the large rectangular shape allows you to seat up to six people for a casual meal. An umbrella hole in the center means your food and guests can stay shaded during sunny gatherings. This table pairs nicely with chairs from the Belthorne collection, letting you pull together a stylish look for your backyard.

Cabinet Collections

Refresh your casual kitchen with Portland collection cabinetry. The wheat finish and raised-panel doors create a warm, welcoming atmosphere to prepare meals and gather with guests. This 30-in W sink base provides plenty of storage, keeping cleaning supplies, dish soap and sponges out of sight. The versatility of this collection allows you to select paint colors, flooring and countertops that reflect your personal style.

Whether your style is clean and contemporary or charming and classic, Concord collection cabinetry brings a crisp, bright elegance to your kitchen. This 12-in W cabinet features a white thermofoil finish that easily coordinates with a variety of wall colors, flooring and countertops. The drawer keeps utensils and gadgets handy during meal prep, while a fixed shelf allows for convenient storage of cookware and bakeware. The square raised-panel door with concealed hinges provides a sleek look, and the scratch-resistant interior is easy to clean.

Bring the beauty of natural wood into your home with Denver collection cabinetry. The dramatic, rugged appearance of finished hickory creates the feel of a rustic retreat whether you live in the country, city or suburbs. This 36-in W Lazy Susan base cabinet with a raised-panel door boasts two revolving shelves for convenient access to items like storage containers, spices or snack foods. Maintain the casual charm of this collection by leaving the door as is, or add a sophisticated touch with hardware that accents your style.

Whirlpool French Door Refrigerator

Your guests always gather in the kitchen anyway, so why not make it a party? On top of this stainless steel French door refrigerator is the CoolVox™ Sound System with premium Bluetooth™ audio, allowing you to blast tunes while

cooking or play soothing sounds while dining. Spacious and functional, this unit boasts adjustable spill-proof MicroEdge® Glo shelves with additional LED lighting to provide more brightness. A humidity-controlled triple crisper system offers several options for produce storage, and a full-width temperature-controlled drawer is ideal for meats, cheeses or snacks. The

exterior filtered water and ice dispenser features Measured Fill, which allows you to program the amount of water you need then automatically shuts off when that level is reached. The pull-out freezer is loaded with storage options, like an in-door pizza pocket, a movable bin, two sliding drawers and a spacious lower basket to keep frozen foods close at hand.

DEWALT 10-amp Drill

If you need high performance in heavy-duty applications, this 10-amp drill is just right for the job. The 2-finger variable-speed trigger delivers 0-1,200-RPM and provides versatility and control. The convenient lock-on button reduces user fatigue during long periods of continuous drilling. A 1/2-in all-metal chuck accepts a wide variety of bits, and the key is attached with a flexible strap so you'll never misplace it. An auxiliary side handle provides extra leverage when you need it, and the cam lever allows for secure and quick repositioning. For added safety, a live wire indicator turns on when the drill is plugged into a power source.

DEWALT 6-amp Scrugun

When faced with a big drywall project, this 6-amp, variable-speed scrugun fits the bill. With a 0-5,300-RPM high-speed transmission, this scrugun is ideal for production drywall hanging. Weighing only 2.9-lbs, it is lightweight enough for sustained use, reducing operator fatigue. The 2-finger trigger provides increased comfort, and the “set and forget” nosepiece allows for consistent fastener depth throughout your project. Heat-treated gears are durable and long-lasting on the jobsite, and a 1/2-in chuck is just what you need for heavier applications.
